

## **Grade 6 Late French Immersion Program 2021**

- This is a program of choice available to all present grade 5 students interested in taking on the challenge and benefits of learning in French.
- This program is for grade 6 students with **NO** previous French Immersion program experience.
- Late French Immersion is offered at **École Phoenix Middle School**, a dual track school, with approximately one third of the student population enrolled in the French Immersion program.

## **WHAT IS THE GRADE 6 LATE FRENCH IMMERSION PROGRAM?**

- In the grade 6 late French Immersion program students receive 100% of their core curriculum instruction in French. The program follows the same curriculum as the Ministry of Education's English program.
- In grade 7, students are integrated with early immersion students and in grade 9 French Immersion students move to Carihi Secondary School.
- The goal of the program is for students to reach a high level of fluency and proficiency in the French language by the end of grade 12.
