TIMBERLINE YEAR LONG PERMANENT PERMISSION SLIP

2019/2020

In order to reduce the amount of paper and need for parent signatures for individual trips, particularly with flex afternoons, this form will serve as permission for your child to participate in community based field trips.

These trips will be within the Campbell River area and will be low risk or 'reasonable' excursions, such as, but not limited to: hikes or bike rides through Beaver Lodge Lands or other local trails, trips to the museum, library, Strathcona Gardens to skate or swim, Sportsplex, Beach clean ups, visits to Elk Falls and the hatchery, or other schools in the district. Transportation may include public buses, school buses, personal vehicles or walking.

Any field trip that is deemed 'high risk' such as rock climbing, Scuba diving, canoeing, skiing/snowboarding, or that will take place outside of the city, will be addressed with an individual field trip form.

I, _____ give permission for my child _____ *(first and last name)*
who is in grade _____, to attend any reasonable school excursions with Timberline Secondary for the 2018/2019 school year.

By signing I agree for him/her to take part voluntarily in flex excursions or classroom outings. I understand that my child may be exposed to every day risks which can occur with or without fault on either part of the student, or the school district or its employees or agents, or the facility where the activity is taking place. My child and I also understand the school's Code of Conduct applies to any excursion with Timberline. I will be responsible for any costs caused by my child's failure to abide by the code of conduct, including any costs to send my child home.
